Workers must be at the centre of Canada's 'Green New Deal'

**Featured Speaker
Katrina Miller** is the Program Director for *The Broadbent Institute*, driving the Institute's policy, campaign and communications work to build the progressive landscape in Canada. She has over 17 years experience as a communications and public policy strategist working with a wide array of labour, community, and other non-government organizations to promote progressive social policy.

Come out and learn how implementing a Green New Deal would bring employment gains in the infrastructure, transit, housing & renewable energy sectors.

Tuesday, Sept. 17, 2019

Doors open 6:00 p.m.

**Sponsored by the Political Action Committee of
the Retired Workers Chapter**

The Green New Deal is an economic strategy to boost jobs and wages through decarbonizing the economy.

**The more complex goal is to amend
the core structural problems
that got us where we are today.**
